RE: 30 Day Post-General FEC Report (10/17/96 - 11/25/96), ID# C00223297

Dear Lisa:

This letter is to follow up on a conversation you had with Ms. Randi Brink regarding your April 8, 1997 letter about our 30 Day Post-General FEC Report. Your letter indicated there were six (6) contributors who were designated as contributing to the 1996 Primary. As per your instructions I am, by this letter, amending the above referenced report as follows.

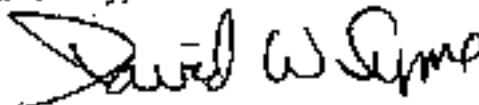

Those contributors (Itemized Receipts Schedule A, Page 4 - Items D & E, Page 5 - Items F & G and Page 6 - Items B & C) which had Primary boxes checked where intended for the 1998 Primary election and not the 1996 Primary election. We had no debt from that election to apply those contributions toward and I have on file designation letters from all six individuals which indicate the Primary portion of their contributions were for the 1998 Primary election.

I am sending you a revised Report of Receipts and Disbursements summary page for that period showing the General election box checked and the Primary election box checked with 1998 added to its description. I hope this clears up the misunderstandings.

If you have any questions please do not hesitate to contact me at (714) 699-3670 or by facsimile at (714) 837-6427.

Thank you for your assistance.

Sincerely,

David W. Syme
